That meant lots of free time for the Egyptians, and they had plenty of money to indulge in fun. Seeing all the new, hot, sexy, and not to mention naked women everywhere, was a real pleasure. I guess this was the first time I had a good look at a female body, and the sight still has. In India it was a common thing for a woman to have her husband put his own kamasutra in her vagina before they got married. What is a kamasutra? Kamasutra means casket or container. We all have heard the expression, "to enjoy the spoils of war", that is, having all the things you want and taking all the things you need. Well, the Hebrews before they left the land of Israel in 733 B.C. couldn't stop being the spoil of war. That's how in the early 1800s, they brought back from Persia the ancient book of kamasutra. 3) Relationships and Sex: There is no need to explain the later stages of 3. but there are certain practices that some people find very helpful in entering this stage of their life. Of course, it is very much your choice as to how you want to live your life and who you want to live it with. But if you are going to be with anyone, make sure it is someone with whom you want to spend the rest of your life. Kamasutra is the ancient book which is said to be full of sexual secrets, but the truths are there whether it is proven or not. But then what is kamasutra made of? Kamasutra is a collection of sex positions. It shows you the more co-operative way of sex which is all about your sexual pleasure.
