Srimanthudu's simple yet inspiring story tells the story of a descendant of a wealthy business family who is not interested in simply making money. His thoughts and With this story, you can safely turn to children. From an early age, Srimanthudu tries to understand how important money is in life. He constantly wondered, "Why should anyone own wealth when there are so many poor people?" And throughout his life he tried to figure out what it means to live in peace with others. Srimanthudu believed very strongly that money could not solve all problems to achieve happiness. He believed that all problems can only be solved with love.
