An RPG that tells a story while letting you create a character and choosing what kind of feeling you want to convey, Elden Ring is a fantasy RPG that is easy to play and offers a deep and immersive experience through the multi-layered story.

----- Active Battles and a DungeonBuilder are two of the functionality of the game. * A battle is easily won without having to constantly click on an enemy as you would with other games * A DungeonBuilder lets you easily create a complex and multilayered dungeon * By using the DungeonBuilder, you can also create a large-scale, open-world dungeon with various layouts, for example, a dungeon that transitions between different battle zones ----- Supporting Characters

Features Key:

A deeper sense of satisfaction from every RPG and action game In a fantasy setting with an epic drama, the feeling of running back to the battlefield, using your weapon to eliminate your enemy, and shooting will give you a much deeper sense of satisfaction The vicious two-way battle areas also provide a much deeper sensation through actions such as attacking through a bull rush or leaping toward your enemy In addition, there is a seamless connection with others that reduces spending and time to improve party interactions and the immersion of others
The vast world seamlessly connected by hundreds of routes Explore a large and connected world. Dungeon and field areas seamlessly connect together and have a three dimensional depth By traveling together, your party can easily move and explore various regions of the world, such as exploring a desert, a forest, or a snow-covered field
Enriching the Fantasy Action RPG genre With a rich and elaborate world set in a fantasy setting, you will surely get a chance to play a grand role as you move on your journey with grace and the strength of the Elden Ring
An epic drama with a vast world as a stage A large scale action drama against the backdrop of the fantasy world. In the Lands Between, you can create a massive world, which begins at the meeting point between the front lines. Various quests are taken with common and uncommon enemies, and the battle unfolds with numerous turns The gigantic story led by strong characters will give you a deep sense of satisfaction
Challenge yourself by leveling up By exploring and leveling up, you can constantly test your combat skills, magic skills, and creation skills in many different test ways You can also progress the story through events and obtain high-level equipment
Customization of character equipment and skills is supported Equip and develop weapons, armor, and magic with otherworldly materials to match your own style. You can freely assign them to your character
Volatile online elements that strongly connect you to others You can enjoy an open, rich online world where you can participate with other players from around the world, and you can also enjoy the pleasures of asynchronous online elements that allow you to feel the presence of others. In the online mode, you can meet new people with whom you can play as a party, form a party, and trade items together.
