Three Kingdoms XIV is a historical simulation action strategy game set in the Three Kingdoms period of ancient China. Based on the popular Romance of the Three Kingdoms series, the player assumes the role of various famous commanders and leaders of the time who eventually become the most influential rulers of China, with the goal of toppling an opponent or uniting China under their own banner. Along the way, players can research new technologies, take control of new military units and tactics, expand their forces with a fully customizable army, and wage war on land, sea, and air. System Requirements: The Three Kingdoms XIV Xbox 360 game requires a Windows XP, Windows Vista or Windows 7 system with a DirectX9-compatible video card. A processor of at least 1.2 GHz is required. The game will not run on a system with less than 512MB of free hard drive space. The Xbox 360 game is fully compatible with the Xbox 360. Language: The game contains approximately 20,000 words. The full text is provided in Chinese, with an automatic English translation. Terms of Service: You may not sell items created by this game. You may use such items for any purpose but may not claim them as your own work, or sell them for profit. Contact Us Leave Feedback You are welcome to post non-commercial links.
